UP Mission Statement
The mission of Crittenton Hospital Medical Center’s Employee Unlimited Potential (UP) Group is to promote and support employees, the hospital, and the community.

About Employee Unlimited Potential
Employee Unlimited Potential (often referred to as “UP”) is the employee giving club of Crittenton Hospital Medical Center. The group is led by an Executive Committee and operated under the Foundation Board of Directors, which oversees all fundraising programs for the hospital. UP-supported projects have included physical renovations and additions to the hospital, employee scholarship programs, and professional development for employees and equipment for departments throughout the hospital.

Unlimited Potential also works to support the local community through its support of many community programs, such as the annual Harvest Food Gathering to support Gleaners Community Food Bank of Southeastern Michigan, the Holiday Giving Tree Program for the Rochester Neighborhood House, provision for heart defibrillators for community locations, and many more.

Working as ambassadors for the hospital, members of Employee Unlimited Potential demonstrate their dedication to the advancement of Crittenton, enhancement of their workplace and strengthening of their local community. Please consider membership in UP: we need your help to continue to make an impact for our hospital and our community!

FOR MEMBERS
In appreciation for your generous gift, you will be given a UP pin and your name will be listed on a display within the hospital to recognize you as a donor. You will also receive invitations to UP appreciation events and regular updates regarding the activities of the Employee Unlimited Potential Group.

To Join
Complete the form below and return it to the Crittenton Foundation with your desired donation and authorization to enroll in the payroll deduction program. All donations are tax deductible as provided by law. Crittenton is a 503 (c) (3) non-profit organization.
