

Proceeds Will Benefit

the *Cornerstone Campaign*, the hospital's first community-wide fundraising effort since its founding in 1967. For more than 40 years, Crittenton Hospital Medical Center has served as the cornerstone of healthcare in our community. The Cornerstone Campaign will raise funds for expanded services and programs through the addition of a five story patient tower to the hospital's south campus. The tower will add approximately 173,000 square feet of space and will include:

- Ninety single patient rooms to better improve privacy and infection control
- Dedicated unit for women's health
- Expansion of cardiovascular services
- Center for medical education
- Expansion of inpatient pharmacy

We ask that you partner with us in building on the cornerstone of healthcare in our community.
